shifting the tide

Rising Tide's 2023 Group Fedco Order

Each year, Rising Tide places a group order to Fedco. Everyone is invited to participate! Seed orders receive a 20% discount and the entire group order will be delivered to Rising Tide. We will be placing our order at the very beginning of February so that it will arrive in time for people to start seedlings indoors.

The deadline for submitting your order to Rising Tide is Tuesday, January 31st. The seed orders should arrive by early March.

Ordering online: Go to fedcoseeds.com & select which catalog you'd like to use (seeds). There are search functions on the site, or you can enter item numbers from your catalog into the search box to easily find what you need. When you're done adding items, click on "checkout," where you'll be able to confirm that your selections are correct – you can adjust quantities on this page if necessary. In the shipping area, click "part of a group," and proceed to "checkout securely." Please enter your personal information. Be sure to enter your email address, as this is how we'll contact you when your order arrives. All orders will be delivered to Rising Tide. At the bottom of the page you'll be prompted to enter our group order number: **990051**

We are listed as "Rising Tide." Click "continue." On the next page, please select your preference for substitutions if your seed choices are out of stock. **Please note that the default selection is 'yes,' so be sure to check 'no' if you do not want any substitutions.** Once the group number is entered into your order, you will not need to input any payment information (you'll pay for your order when it arrives here at the store). You will receive an email confirmation of your order.

If using paper form:

Fill out the order forms, and include the catalog number, size code, quantity, and total dollar value for each item. Please subtotal your order, but do not fill in any of the boxes below that point. Please print legibly (this is very important) and double-check your form for accuracy to ensure you receive the correct items. Please be sure to enter your email address, as this is how we'll contact you when your order arrives. Return paper order forms to the front-end cashiers.

Rising Tide's 2023 Group Fedco Order

General information:

All seeds are taxable and Maine sales tax applies to your entire order. You do not need to pay anything when you submit your order. The total amount will be due when you pick it up. Due to high order volume we will be unable to accommodate backorders and unfortunately, we are unable to notify you in advance of any items on backorder.

Because space is limited here at the co-op, we would appreciate it if you could pick up your order as soon as possible. You will be notified by email when your order is ready to pick up!

The group coordinator this year is Jess from the Produce Department. If you have any questions, please feel free to email Jess at jess.h@risingtide.coop or call 563-5556.

Thanks for participating!
